

# MOLIMO ZA SLOVENIJO

PRAY FOR SLOVENIA

## PRAY FOR CHURCHES

Spiritually speaking, Slovenia is truly a hard place to work; only a small number of evangelical churches and a need for Christian workers everywhere.

- Pray that all believers would be equipped, prepared and aflame for the work in the Lord's vineyard.
- Pray that each believer will use their spiritual gifts for the widening of God's kingdom and the growth of Christ's body wherever God has placed them.
- Pray for churches based on Ephesians 4:11-16

## PRAY FOR NEW CHURCHES

There are around twelve churches being planted in Slovenia right now, including in Kranj. Kranj is the third largest city in Slovenia, the key city of Gorenjska region; it needs ongoing evangelism.

- Pray for the 51,432 inhabitants of Kranj.
- Pray for the city authorities and government.
- Pray for the Evangelical Church in Kranj, which is still to be planted.
- Pray for much spiritual fruit from the seeds that have been sown.
- Pray for new believers and for Christian workers.
- Pray that the Lord would provide for the material and spiritual needs of this young work.
- Pray for Kranj based on Ephesians 1:15-23.

## PRAY FOR SLOVENIA

The gospel has spread around Slovenia in recent months in various ways, from small to large groups of people (the presentation of the film, *The Passion of the Christ*, with accompanying evangelism, evangelism in local churches, evangelistic concerts, summer evangelistic camps, etc.)

- Pray that the seeds of God's word that have been sown will reap a great harvest.
- For all who heard the gospel for the first time, but have not yet received Christ, to be open to the gospel in the future.
- Pray for Slovenia based on John 3:1-21.

## PRAY FOR PLACES WITH NO EVANGELICAL CHURCH

There are 193 municipalities in Slovenia, and only 26 have an evangelical church.

Slovenj Gradec is one of the largest Slovene municipalities, and the only city in Koroska, without an evangelical church.

- Pray for the 16,779 inhabitants.
- Pray for God's blessing on this city.
- Pray that people will long for God and his word.
- Pray that their motto above, *Herald of Peace City*, would come true so that Slovenj Gradec would be a herald of peace to Koroska region.
- Pray according to 2 Corinthians 5:15-21.

**KEEP ON PRAYING!** European Christian Mission has expressed interest in reaching Domžale, which is currently the largest municipality in Slovenia with no church; pray that a prayer group and a church would start in this city. Continue to pray also for northern Primorska region (Bovec and surroundings), and for missionary Joe Kelly, who lives and does mission work in Bovec. Pray for the people of this region, who suffered loss in the recent earthquake.
